

SUMMER CAMP 2016

The Town of Lake Park regrets that it will not be able to host its summer camp program this year; however, the Town has entered into agreement with the Village of North Palm Beach to enable children from Lake Park families who meet certain federal guidelines to attend the Village's summer camp program, on a first-come first-served basis, with a subsidy from the Town of Lake Park. For those families who wish to enroll their children into this program, please complete the North Palm Beach Recreation Department Summer Camp Registration Form as well as the Town of Lake Park 2016 Supplementary Registration Form. Once you have completed both forms, please submit them directly to the Town of Lake Park Finance Director, 535 Park Avenue, Lake Park, Florida 33403 for processing.
